Doctors with heart helping Rural Queenslanders
This is the 12th annual report for the AMAQ Foundation since its establishment in July 2000.

As the President of the Foundation I am honoured to be associated with a not for profit charity which has among its goals a commitment to raise funds to provide relief from sickness and suffering or disability among underprivileged or unfortunate Queenslanders.

Our efforts over the past year have continued to concentrate on a membership drive among the medical profession in Queensland and the business community so that we can build a sound financial base from which to launch benevolent projects.

The year has been very successful in that we have been able to deliver on a diverse range of benevolent projects, these are outlined in the Executive Directors report.

At the time of writing this report it is my pleasure to thank those 454 individual people and companies who have supported the Foundation to date via membership and/or donations. These current members and donors are recognised opposite.

I wish to acknowledge the wonderful support throughout the year received from our major community partners. A very special thank-you goes to Sullivan Nicolaides Pathology, Queensland X-Ray and Family Care Medical Services. These organisations have each made a very significant contribution towards the development of the Foundation.

Again I ask all Foundation members to be ambassadors for our charity and spread the word on our existence and encourage friends and colleagues to join and support us.

As the Executive Director I am pleased to provide this report on behalf of the Board.

The activities and growing profile of the AMAQ Foundation continue to substantiate and reinforce the original reasons for the establishment of AMA Queensland’s own charitable foundation.

In 2011 the AMAQ Foundation Scholarship Scheme continued into its eighth year, with the granting of one additional scholarship. The Foundation now has seven active scholarship holders at James Cook University and in December 2011 we celebrated the graduation of three scholarship holders.

During Queensland’s natural disasters in early 2011, AMA Queensland was the leading voice communicating practical health advice, while also managing the volunteer medical support teams for communities in need.

The Foundation was proud to fund the roll out of two public health campaigns developed by AMA Queensland. The first campaign See the Signs was launched to alert people to the signs of anxiety and depression as they dealt with the fall-out from the disasters.

The second phase of the campaign Suicide Watch was developed to provoke discussion about suicide and encourage people to seek help if they were struggling. An emotive video clip, which featured AMA Queensland members, ran as a television advertisement and YouTube video. The video continues to run in various locations around Queensland.

In addition, throughout the year the Foundation provided vital equipment to Muscular Dystrophy patients, supplied rehabilitation equipment to Royal Children’s Hospital and provided specialised equipment to the Red Hill Special School for children with disabilities. The Foundation also supported a Public Health Education Program in Cambodia and made a significant donation to the Queensland Premier’s Disaster Relief Appeal.

The Annual Report details the sound position of the Foundation. Our continued success will of course depend on our ability to raise significant funds from members/donors, corporate partnerships, bequests and special events. In this regard, during 2011 the Board decided on a course of action to formally review the activities, structure and future direction of the Foundation. The results of this review will be implemented throughout 2012.

At the end of our 12th reporting period (31 December 2011) the Foundation Board consisted of:

<table>
<thead>
<tr>
<th>Name</th>
<th>Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dr Steven J Hambleton</td>
<td>President</td>
</tr>
<tr>
<td>Ms Lisa Story</td>
<td>Director</td>

<tr>
<td>Ms Jane E Schmitt</td>
<td>Executive Director</td>
</tr>
</tbody>
</table>
The Foundation Executive Officer is Mr Neil Mackintosh.

Mr Tim Fairfax, AM, graciously continues to serve as the Foundation’s Patron and gives time, financial support and personal assistance well beyond what can be fairly expected of a patron.

As mentioned in the President’s Report, we are delighted and encouraged to have the support of three significant corporate partners in Sullivan Nicolaides Pathology, Queensland X-Ray and Family Care Medical Services.

During the reporting period, Board meetings were held on 3 February, 13 April, 8 June and 16 August 2011. Attendance at Board meetings is summarised below:

The Annual General Meeting of the Foundation was held on 24 May 2011 at Kelvin Grove.
1. Your Directors submit the financial accounts of the Company for the year ended 31 December 2011.

2. The names of the Directors in office during or since the end of the financial year are:
   - Dr S J Hambleton
   - Mr B R Noye
   - Dr R A Kidd (Appointed 17 June 2011)
   - Ms L J Story
   - Dr G F Pecoraro (Resigned 17 June 2011)
   - Ms K P Philp (Appointed 25 May 2011)
   - Ms J E Schmitt

3. Qualifications, experience and special responsibilities of each Director.
   - **Dr Steven Jon Hambleton**
     Experience: Medical Practitioner 27 years
   - **Dr Gino Francis Pecoraro**
     Qualifications: MBBS
     Experience: Medical Practitioner 22 years
   - **Dr Richard Anthony Kidd**
     Experience: Medical Practitioner 32 years
   - **Ms Jane Elizabeth Schmitt**
     Qualifications/Experience: Master of Laws, Bachelor of Laws, Diploma of Business
   - **Mr Bernard Ross Noye**
     Experience: Stockbroker/Investment Adviser (31 years)
   - **Ms Lisa Jane Story**
     Qualifications/Experience: Travel Industry Company Director for 18 years
   - **Ms Katharine Patricia Philp**
     Qualifications/Experience: Bachelor of Arts, Bachelor of Laws, Master of Health and Medical Law

During the year Board meetings were held on 3 February, 13 April, 8 June and 16 August 2011. Attendance at Board meetings is recorded in the Executive Director’s Report. The Annual General Meeting of the Foundation was held on 24 May 2011 at Kelvin Grove.

4. The Company Secretary during the year was Ms J E Schmitt.

5. The Foundation is incorporated under the Corporations Act 2001 as a company limited by guarantee and not having share capital. Under Clause 3 of the Constitution of AMAQ Foundation, every member who is a member or within one year afterwards is liable to contribute to the assets of the company in the event of a winding up, to an amount not exceeding fifty cents ($0.50). The Foundation had 451 members at 31 December 2011. (2010: 486)
6. **Objectives and strategy**
The Foundation’s short term objectives are to raise funds for improved medical services within Queensland and to support medical education.

The Foundation’s long term objectives are to set a new strategic framework and structure to greatly increase funds raised and significantly increase the number of medical projects in support of needy and disadvantaged Queenslanders.

To achieve these objectives the Foundation has conducted appeals within the profession and conducted fundraising events. To achieve these long term objectives the Foundation is conducting a major review of its structure and strategies for implementation in 2012.

The principal activities during the year were fundraising and providing direct support to disadvantaged medical students, Muscular Dystrophy patients, Royal Children’s Hospital, the Red Hill Special School, the Queensland Flood Recovery Appeal and the AMAQ Mental Health Campaign - “See the Signs”.

All of these activities relate directly to the Foundation’s objectives. The objectives and strategies are monitored by the Board to ensure timely and accurate outcomes.

7. A copy of the Auditor’s Independence Declaration as required under Section 307C of the Corporations Act 2001 is set out on page 8.

Signed on behalf of the Board in accordance with its resolution.

Dr S J Hambleton  
President  
Dated at Brisbane on this 11th day of April 2012
I declare that, to the best of my knowledge and belief, during the year ended 31 December 2011 there have been:

(i) no contraventions of the auditor independence requirements as set out in the Corporation Act 2001 in relation to the audit; and
(ii) no contraventions of any applicable code of professional conduct in relation to the audit.

The accompanying notes form part of these financial statements.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report covers the AMAQ Foundation as an individual entity. AMAQ Foundation is a public company limited by guarantee, incorporated and domiciled in Australia.

Basis of Preparation

AMAQ Foundation has elected to early adopt the Australian Accounting Standards - Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-12: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements. As a consequence, the Foundation has also early adopted the following Amending Standards containing reduced disclosure requirements:

- AASB 2011-2: Amendments to Australian Accounting Standards arising from the Trans-Tasman Convergence Project – Reduced Disclosure Requirements; and
- AASB 2011-6: Amendments to Australian Accounting Standards - Extending Relief from Consolidation, the Equity Method and Proportionate Consolidation – Reduced Disclosure Requirements

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards — Reduced Disclosure Requirements of the Australian Accounting Standards Board (AASB) and the Corporations Act 2001.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of these financial statements are presented below. They have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue on 11 April 2012 by the directors of the company.

Accounting Policies

a) Income Tax

No provision for income tax has been raised as the Foundation operates solely as a non-profit public charitable foundation and accordingly is exempt from income tax under Section 50-5 of the Income Tax Assessment Act 1997.

b) Plant and Equipment

Each class of plant and equipment is carried at cost value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets, except for paintings, are depreciated on a straight line basis over the useful lives of the assets to the Foundation commencing from the time the asset is held ready for use. Depreciation rate used on computer equipment is 25% and the depreciation rate on banners and displays is 33%.

The assets’ residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

c) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Foundation becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Foundation commits itself to either purchase or sell the asset (ie trade date accounting is adopted). Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified ‘at fair value through profit or loss’ in which case transaction costs are expensed to profit or loss immediately.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

c) Financial Instruments (continued)

Classification and subsequent measurement

Financial instruments are subsequently measured at either fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

i. the amount at which the financial asset or financial liability is measured at initial recognition;
ii. less principal repayments;
iii. plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest method; and
iv. less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm’s length transactions, reference to similar instruments and option pricing models.

(i) Financial assets at fair value through profit or loss

Financial assets are classified at ‘fair value through profit or loss’ when they are held for trading for the purpose of short-term profit taking, or where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying value being included in profit or loss.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after reporting date. (All other loans and receivables are classified as non-current assets.)

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the Foundation’s intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Held-to-maturity investments are included in non-current assets, except for those which are expected to mature within 12 months after reporting date. (All other investments are classified as current assets.)

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

Available-for-sale financial assets are included in non-current assets, except for those which are expected to be disposed of within 12 months after reporting date.

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the Foundation assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.
c) Financial Instruments (continued)

Derecognition
Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the Foundation no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability, which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

d) Impairment of Assets
At each reporting date, the Foundation reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset’s fair value less costs to sell and value in use, is compared to the asset’s carrying value. Any excess of the asset’s carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Foundation estimates the recoverable amount of the cash-generating unit to which the asset belongs.

e) Cash and Cash Equivalents
Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

f) Trade and Other Payables
Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Foundation during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

g) Revenue
Revenue from the sale of goods is recognised upon the delivery of goods to customers.
Revenue from donations is recognised upon receipt.
Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.
Dividend revenue is recognised when the right to receive a dividend has been established.
Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.
All revenue is stated net of the amount of goods and services tax (GST).

h) Goods and Services Tax (GST)
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.
Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

i) Comparative Figures
When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.
When the Foundation applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period will be disclosed.

j) Critical Accounting Estimates and Judgement
The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Foundation.

Key Judgments
Available-for-sale investments
The Foundation maintains a portfolio of securities with a carrying value of $593,833 (2010: $606,313) at the end of the reporting period. Certain individual investments have declined in value, whereby the fair value of the assets held is below cost. The Directors do not believe this decline constitutes a significant or prolonged decline below cost at this stage and hence no impairment has been recognised. Should share values decline to a level which is in excess of 50% below cost or should prices remain at levels below cost for a period in excess of 24 months, the Directors have determined that such investments will be considered impaired in the future.
### NOTE 2: CASH AND CASH EQUIVALENTS

<table>
<thead>
<tr>

NOTE 12: DONATION COMMITMENTS

During the 2005 financial year, donations were received from the public for the Inderjit Swarup Appeal. The Inderjit Swarup Appeal was a high profile project in conjunction with the ABC TV Foreign Correspondent program, to raise funds for the critical medical treatment for a boy in India who required corrective bowel surgery and ongoing medical treatment. Financial support has been provided each year for Inderjit and in January 2011 an amount of $630 was expended. The balance of the remaining commitment at 31 December 2011 was $19,608 (2010: $20,238).

NOTE 13: CONTINGENT LIABILITIES AND CONTINGENT ASSETS

There are no known contingent liabilities and contingent assets as at 31 December 2011.

NOTE 14: EVENTS SUBSEQUENT TO REPORTING DATE

There are no known events subsequent to reporting date effecting this financial report.

NOTE 15: INCORPORATION AS A COMPANY LIMITED BY GUARANTEE

The Foundation is incorporated under the Corporations Act 2001 as a company limited by guarantee and not having share capital. Under Clause 3 of the Constitution of AMAQ Foundation, every member who is a member or within one year afterwards is liable to contribute to the assets of the company in the event of a winding up, to an amount not exceeding fifty cents ($0.50). The Foundation had 451 members at 31 December 2011. (2010: 486)
NOTE 16: FINANCIAL RISK MANAGEMENT

The Foundations financial instruments consist mainly of deposits with banks, Investment in shares in listed entities, accounts receivable and payable.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

<table>

Financial Risk Management Policies

The directors’ overall risk management strategy seeks to assist the Foundation in meeting its financial targets, whilst minimising potential adverse effects on financial performance. Risk management policies are approved and reviewed by the directors on a regular basis. These include credit risk policies and future cash flow requirements.

NOTE 17: COMPANY DETAILS

The registered office and the principal place of business of the Foundation is:

AMAQ Foundation
88 L’Estrange Terrace
Kelvin Grove Qld 4059
The directors of the company declare that:

1) The financial statements and notes, as set out on pages 9 to 17 are in accordance with the Corporations Act 2001, and
   a) comply with Accounting Standards; and
   b) give a true and fair view of the financial position as at 31 December 2011 and of the performance for the year ended on that date of
      the company.

2) In the directors’ opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due
   and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Dr S J Hambleton
President

Dated at Brisbane on this 11th day of April 2012
TO THE MEMBERS OF AMAQ FOUNDATION

We have audited the accompanying financial report of the AMAQ Foundation (the company), which comprises the statement of financial position as at 31 December 2011 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors’ declaration.

Directors’ Responsibility for the Financial Report
The directors of the company are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence
In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the directors of the AMAQ Foundation on 11 April 2012 would be in the same terms if provided to the directors as at the date of this auditor’s report.

Auditor’s Opinion
In our opinion, the financial report of AMAQ Foundation is in accordance with the Corporations Act 2001, including:

i. giving a true and fair view of the company’s financial position as at 31 December 2011 and of its performance for the year ended on that date; and

ii. complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.
