

WORKPLACE GIVING

"Our staff are delighted to help the AMA Queensland Foundation and their many worthwhile projects. My personal favourites are always the projects related to children, for example Townsville Hospital Emergency Department's desperate need for a special bed to weigh seriously ill children, so they can receive the correct treatment." - Lisa Story MD, World Travel Professionals

Workplace giving is a simple and cost-effective way for your organisation to support *doctors doing good*, increase staff morale and increase awareness of your brand as caring and altruistic.

For further details, contact Colleen Harper on (07) 3872 2204. **Q**

REGULAR GIVING—IT'S OUR LIFEBLOOD

Regular or annual giving to the AMA Queensland Foundation is our lifeblood. Regular donations are vitally important as they allow us to budget, confidently plan ahead, and commit with confidence to supporting various projects and doctors doing good.

Your monthly or quarterly support could help fund:

- improved or emergency medical services, especially in rural and remote areas
- medical and specialised equipment for those whose needs don't fit into the neat boxes of other health-specific charities
- scholarships to medical students enrolled at James Cook University, who have demonstrated commitment to working in rural medicine
- improved medical education
- vital medical research

The Foundation's Individual Giving Program makes regularly contributing easier and more convenient for our donors while providing a steady, reliable source of much needed funds, enabling us to respond to needs when and as they arise. By pre-authorising monthly, quarterly, or annual deductions from their credit cards, our supporters' gifts are two-fold in that they also reduce administrative costs and help to streamline our processing. Donors are provided with one annual receipt for their total 12 months' donations at the end of each financial year.

AMA Queensland Foundation sincerely thanks all our Individual Giving Program donors for their ongoing generosity and support.

Thank you also to our Individual Giving Program donors who wish to remain anonymous. **Q**
