THANK YOU TO OUR WONDERFUL DONORS!

The AMA Queensland Foundation sincerely thanks all donors who recently supported our 2016 end of financial year appeal.

Thanks to your generosity, we raised an incredible \$50,000. These funds will help support the next round of ear, nose and throat surgery for remotely-based Queensland children who face logistical challenges accessing treatment. We look forward to sharing their stories with you so that you may see first-hand what an amazing difference you have made to their lives.

On behalf of their families, thank you again for your compassion, generosity and ongoing support of the important work of the Foundation. Your contribution is truly appreciated.
