

THANK YOU FUNCTION

Donors, corporate sponsors, Foundation Board members and Foundation Patron Tim Fairfax AC, gathered recently at the Lexus of Brisbane's showroom in Fortitude Valley, for the AMA Queensland Foundation's Thank You to Donors Cocktail Function and Official launch of the *Thank YOU Doctor* campaign.

It was an exciting evening and several You Tube clips were shown of the fantastic philanthropic projects the Foundation supports, which highlighted the Foundation's mantra of 'doctors doing good'.

The *Thank YOU Doctor* campaign was also officially launched and corporate supporters MDA National, Queensland X-Ray and Sullivan Nicolaides Pathology were thanked for their significant support. The focus of the

campaign is to offer patients the opportunity to express their appreciation of their doctor, in a tangible tax efficient way. All funds are directed to philanthropic projects driven by AMA Queensland members. If you would like more details on the AMA Queensland Foundation's *Thank YOU Doctor* campaign, please contact (07) 3872 2204 or amaqfoundation@amaq.com.au

The Foundation would like to take this opportunity to thank Lexus of Brisbane for providing the complimentary venue. **Q**
